East Wall The Good City-Republic

TOP: Planets and Seasons, with coat of arms

Venus ?	Papal Keys	Mercury	Spring	Moon
Geometry		Astrology	Philosophy	Siena

TIMOR = Fear

Because each seeks only his own good, in this city,
Justice is subjected to Tyranny
Wherefore, along this road
nobody passes without fearing for his life,
since there are robberies outside and inside the city gates

SECURITAS = Security

Without fear every man may travel freely
and each one may till and sow,
so long as this commune
shall mention the lady sovereign
for she has stripped the wicked of all power
